Winter Weather

Collections and Deliveries

While we hope that the weather this winter will not be as bad as it was last year, there is always the possibility of some snow and ice at this time of year.

During that period, some roads in and around Wheatley became inaccessible due to severe snow and ice and our road in particular was impassable for quite some time.

We would ask customers to be aware that if we experience similar weather this year, our collections and deliveries may be temporarily suspended until the situation improves as only certain routes may be driveable.

We hope that this situation will not occur and that the winter will be milder this year, but would like to thank all of our customers in advance for their understanding should it be necessary to temporarily suspend some or all of our services.

Our phone and email systems will be operational throughout any periods of adverse weather and our telephone voicemail message will be updated regularly with our service status. If you have any questions regarding a collection or delivery, please do not hesitate to contact us.

We would like to continue publishing these newsletters regularly throughout the year and decided to include a table of publication dates for your information.

One of the main reasons for having a regular newsletter is to circulate important information (such as holiday closures or changes to our pricing structure or services offered) to a large number of customers at once.

From 2012 the publishing dates will be as follows:

Spring edition	Published on 15th March Please expect delivery 1-3 days later

Autumn edition	Published on 15th September Please expect delivery 1-3 days later
Winter edition	Published on 15th December Please expect delivery 1-3 days later

If at any point you would prefer not to receive the newsletter, please email us at enquiries@pressedfortimeironing.com to opt out and we will remove you from our mailing list. We **NEVER** sell or pass on any of our customers' personal information.

New Website Coming Soon

Over the coming months we are redeveloping the Pressed For Time website.

We hope to make the new-look website a lot more user friendly and full of useful information to our customers.

We will include standard information such as our current price list, areas that we cover and the services we offer. In addition to this, we hope to include downloadable .PDF copies of our newsletters and an availability calendar using Google Calendars.

By using Google Calendars we will be able to update our availability in real time so that customers can check this before booking a collection.

We will also be using the website to communicate changes to our closure dates and price list so please bookmark www.pressedfortimeironing.com and check back regularly to keep up to date with our news.

When the new website is up and running we will inform all customers using the printed newsletter. We hope that you will find our website useful.

If there is anything in particular that you would like to see on it, why not send us an email and let us know? We welcome suggestions from all of our customers.

For those of you who use Twitter, you will soon be able to follow Pressed For Time Ironing. Details to follow soon!

A Knot In Your Handkerchief

Helpful Reminders

- If you require your items to be hung, you will need to include the correct number of hangers with your ironing as we do not supply any of our own.
- If you will be unavailable at the pre-arranged collection or delivery time, please could we ask that you give us as much notice as possible. Charges may be incurred if we have not been informed and arrive to find that nobody is available.
- We are unable to accept cheques as a method of payment for amounts under £50.00. When paying by cash it is helpful to have the correct amount to hand as we do not carry large amounts of change.
- Please have your ironing ready at the pre-arranged collection time as delays could cause problems if parking is limited outside your property. It will also mean less time outside for us if the weather is particularly cold or wet!
- If you have any special requirements for certain garments please group these together and label them before collection. We often collect more than one customers' ironing at a time and verbal instructions may be difficult to recall for each customer.

We hope to keep 'A Knot In Your Handkerchief' as a regular feature of the newsletter to help remind regular customers of our key practices and to act as a helpful introduction to new customers.

We hope that you find this section useful.
