Pressed For Time Ironing Service

Saving you time and money!

Newsletter—Special Edition 2012

The End of The Printed Newsletter

Pressed For Time Ironing Service have decided to discontinue the quarterly printed newsletter.

We have made this decision based on the fact that our new website contains all of the information which would otherwise be printed in these newsletters. The website can be updated much more frequently than the newsletters which means that relevant information is accessible to you as it becomes available, rather than potentially being several months old before it reaches you.

The newsletter also takes a considerable amount of time and money to produce and distribute to all our customers. Cutting down on our costs in other areas enables us to keep our prices low for our customers.

We hope that this will encourage our customers, new and old, to access the website regularly for up to date news and information about Pressed For Time Ironing Service.

This will be the last edition of the printed newsletter but this edition, and all past editions, are available to download from our website.

From now on, information about and changes to all aspects of our service will only be communicated via the website. These include (but are not limited to) changes to our price list, our availability and holidays, service interruptions and areas covered.
